This wonderful violin program is only provided in six selected elementary schools out of the Spring Branch district. (Parents, you get to learn violin on the side with your child and have some fun quality time together!!☺) There will be **LOTS of FUN events/performances** throughout school year such as **Freaky Friday (Halloween) Concert, Winter/Spring concert, Solo Festival, Celebration Concert,** and **a super fun Fiddler's Fair Summer Camp** waiting for you! It will create a solid foundation and a step stone for your child to participate in future middle school orchestra.
